## **Enforcement Report**

### **Review of Motion(s)**

The Board reviewed one (1) proposed motion. The name of the individual/licensee was not included in the document reviewed by the Board. The name of the individual/licensee has been added to the minutes for public notice purposes.

Dr. Shaffer requested the Board to consider rescinding a notice of opportunity that was approved during a previous meeting for Jane L. Dodson, D.D.S. She stated that the Supervisory Investigative Panel (SIP) has reconsidered this matter and if the original order is rescinded, the SIP has prepared a revised Notice of Opportunity for the same individual.

**Motion by Dr. Hanners, second by Ms. Johnston, to rescind the Notice of Opportunity for Hearing issued May, 2014 for Jane L. Dodson, D.D.S.**

Roll call vote.

Motion carried unanimously.

### **Notice of Opportunity for Hearing Jane L. Dodson, D.D.S.**

The Board reviewed the revised notice of opportunity for hearing in the matter of Jane L. Dodson, D.D.S.

**Motion by Ms. Johnston, second by Ms. Missig, to approve the proposed notice of opportunity for hearing and forward it to Jane L. Dodson, D.D.S., license number 30-017095, case numbers 13-18-0037-1, 13-18-0037-2, 13-18-0263, and 13-18-0336.**

Motion carried with Ms. Clark opposed.

## **Review of Proposed Consent Agreement(s)**

The Board reviewed three (3) additional proposed consent agreements. The names of the individuals/licensees were not included in the documents reviewed by the Board. The names of the individuals/licensees have been added to the minutes for public notice purposes.

### **Disciplinary**

#### ***James D. Burson, D.D.S.***

**Motion by Dr. Hanners, second by Dr. Leffler, to approve the proposed consent agreement for James D. Burson, D.D.S., license number 30-017897, case number 14-72-0214.**

Motion carried unanimously.

#### ***C.A.J., Expanded Function Dental Auxiliary***

**Motion by Dr. Kaye, second by Ms. Clark, to approve the proposed consent agreement for C.A.J., Expanded Function Dental Auxiliary, case number 14-21-0251.**

Ms. Reitz explained that this matter involved an individual who holds a current dental assistant radiographer certificate but it was discovered that they have been performing the duties of an expanded function dental auxiliary (EFDA) since 2007 without registering with the Board to perform these functions. She stated that as terms and conditions of the consent agreement, the individual will be issued an EFDA registration, which will be immediately suspended for a period of two (2) weeks and will be required to obtain two (2) hours of continuing education in ethics.

Seeking clarification, Dr. Chambers stated that this individual has been practicing without a registration since May of 2007 and all she has to do is take two (2) hours of continuing education in ethics. He then requested clarification that the Board intends to issue a registration to her to allow her to practice EFDA duties upon completion of the continuing education. Dr. Shaffer explained that in regards to EFDA registration, once registered there are no continuing education requirements for EFDA's and therefore the terms of the proposed consent agreement seemed appropriate. Dr. Chambers expressed that these terms seemed to be insufficient in light of the lack of registration for seven (7) years.

Dr. Leffler called the question.

Roll call vote: Ms. Aquillo – No  
Dr. Chambers – No  
Ms. Clark – No  
Dr. Hanners- Yes  
Ms. Johnston – No  
Dr. Kaye – Yes  
Dr. Leffler – Yes  
Dr. McDonald – No  
Ms. Missig – No  
Dr. Shaffer – Abstain  
Dr. Smith – No

Motion failed for lack of concurrence of a majority of the Board.

Dr. McDonald indicated that the proposed consent agreement for this individual would be directed back to the Supervisory Investigative Panel for revision. For clarification, Dr. Shaffer inquired as to what terms the Board members would deem appropriate for those individuals who come to the Board's attention under similar circumstances. She stated that as precedent, these individuals have been licensed/certified/registered and then immediately suspended for a period of time and directed to complete a limited amount of continuing education in ethics. Board members expressed that they would like to see more stringent terms in the proposed consent agreements, as they felt that practicing without a license/certification/registration is an egregious violation. Further discussion ensued wherein it was decided to invite the individual and her employer dentist for interview at the September meeting. It was decided that the Board should have further discussions in September regarding the matter of non-renewal of EFDA's.

***Lilia D. Valera, Expanded Function Dental Auxiliary***

**Motion by Dr. Kaye, second by Ms. Clark, to approve the proposed consent agreement for Lilia D. Valera, Expanded Function Dental Auxiliary, registration number EFDA.00711, case number 14-25-0234.**

Ms. Reitz explained that this matter was similar in that it involved an individual who was registered as an EFDA but failed to renew the registration in December 2010. She stated that as terms and conditions of the consent agreement, the individuals registration will be reinstated and then immediately suspended for a period of two (2) weeks. She stated that this individual will also be required to obtain two (2) hours of continuing education in ethics.

Discussion ensued wherein Dr. Chambers again commented that he felt that the issues regarding lack of registration needed to be looked into as there appears to be no accountability for the individuals in question.

Motion carried unanimously.

**Non-Disciplinary**

***Airton O. Arruda, D.D.S.***

**Motion by Dr. Kaye, second by Ms. Johnston, to approve the proposed consent agreement for Airton O. Arruda, D.D.S., license number 30-024324.**

Motion carried unanimously.

Motion carried unanimously.

**Louis A. Glorioso, D.D.S.**

**Motion by Ms. Missig, second by Dr. Kaye, to approve the proposed notice of opportunity for hearing and forward it to Louis A. Glorioso, D.D.S., license number 30-017347, case numbers 13-18-0371.**

Motion carried unanimously.

**Michael Misencik, D.D.S.**

**Motion by Dr. Hanners, second by Ms. Aquillo, to approve the proposed notice of opportunity for hearing and forward it to Michael Misencik, D.D.S., license number 30-018257, case numbers 14-18-0246.**

Motion carried unanimously.

Motion carried unanimously.

**Joyce S. Stroud, D.D.S.**

**Motion by Dr. Wallace, second by Dr. Leffler, to approve the proposed notice of opportunity for hearing and forward it to Joyce S. Stroud, D.D.S., license number 30-016196, case numbers 13-31-0183.**

Motion carried unanimously.

She stated that it was the consensus of the Committee that the content of the courses provided by the Ohio Mortuary Operational Response Team and for the Stark County Dental Society's General Membership Meeting regarding the "History of Stark County Dentistry" do not meet these guidelines. She indicated that appropriate responses to these requests would be forwarded.

**Ms. Johnston made the motion from the Education Committee to accept the report and approve the applications.**

## **Law and Rules Review Committee Report**

Dr. Leffler informed the members that the Law and Rule Review Committee met at 9:30 a.m. that morning to begin their review of rules scheduled for 2014 review. He stated that the Committee had tabled their discussions regarding rule 4715-5-02 regarding written work orders in order that further information be researched and provided to the Committee by himself and Dr. Chambers.

Dr. Leffler stated that the members had discussed all the rules in section 4715-15, the enforcement rules, and determined that they should remain as is for now. He indicated that the members had discussed section 4715-19 regarding personal information systems with only one recommendation that rule 4715-19-04 be amended to include the confidentiality of information obtained via the Ohio Automated Rx Reporting System (OARRS).

Continuing on, Dr. Leffler informed the members that it was recommended to amend rule 4715-20-03 regarding the disposal of sharps to "by board policy" rather than guidelines set forth by local and state environmental protection agencies. Dr. Leffler indicated that the Committee had reviewed a proposed new rule regarding non-dental licensed healthcare providers under the section on qualified personnel. He stated that this had been under discussion with former Board member, Douglas Wallace, D.D.S., and that similar language has been in Board policy for several years.

### **MATRIX – New Enforcement Software Program**

Ms. Reitz informed the members that the enforcement staff continues to move forward with the training on the new enforcement software; MATRIX. She stated that they had originally planned to begin utilizing the system at the beginning of the fiscal year, July 1. However, she informed the members that there were a few minor modifications to the program that were required that kept that from happening. She informed the Board that she would be continuing her training all the next day with the rest of the enforcement staff.

### **Current Legislation; H.B. 483 and H.B. 341**

Ms. Reitz commented that as was reported earlier by Dr. Leffler in the Law and Rules Review Committee Report, H.B. 483 set forth a language change in the Dental Practice Act regarding Ohio Revised Code 4715.15 regarding the testing of Lyme disease.

Ms. Reitz reminded the members that provisions in H.B. 341, which was enrolled in June, requires dentists to be registered with OARRS beginning January 1, 2015. She informed the Board that additional provisions of the bill, such as compliance with certain conditions regarding prescribing of opioids, will not become effective until April 2015. She stated that the bill also allows for some exceptions to complying with OARRS such as exemptions if the dentist is only prescribing for a period of less than seven (7) days or if the drug database is not available. Ms. Reitz stated that the language in the bill raises many questions as to specific requirements and implementation on informing Board licensees.

### **Board Staff Update**

Ms. Reitz informed the Board members that they had finally received approval for the position description changes, which includes a legislative affairs component, to the Deputy Director 1 position. She stated that this is the number 2 staff position with the Dental Board and has been vacant for over a year. She stated she was seeking input from the Governor's Office as well.

### **Farewell to Board Fiscal Officer, Linda Daubenmire**

Ms. Reitz took a moment to recognize the Board's Fiscal Officer, Linda Daubenmire. She informed the members that Linda has been an employee of the State of Ohio for almost 30 years and with the Dental Board for almost 20 years. She commented that it was hard to believe that Linda was already employed by the Board when she hired on as the Executive Director 18 years ago.

Continuing, Ms. Reitz explained that Linda is her "go to" person for so many things. She stated that she is always asking her plenty of questions, that she could never have prepared the Board's budget without her assistance, and that she could never have figured out the State's accounting system, OAKS, without Linda's help. Ms. Reitz stated that Linda has been a tremendous help to all of the staff especially since the executive office has been down-staffed for the past two (2) years.

Ms. Reitz informed the members that whenever there is a snow day, Linda is the one person who makes it into the office, even though she lives in Lancaster, Ohio.

Concluding, Ms. Reitz stated that she will miss Linda and that the Board staff will miss her, but she is sure that Linda will not miss working for the Dental Board! She and the Board gave Linda a round of applause, presented her with a plaque, and wished her all the best in her retirement.

## **Personal Appearance(s) – (Revisited)**

### **Agnes R. Manning-Poluka, Expanded Function Dental Auxiliary, Dental Assistant Radiographer**

Dental Board Enforcement Officer, Barb Yehnert informed the members that Ms. Manning-Poluka was making her second appearance before them and requesting reinstatement of her Radiology certification. She explained that Ms. Manning-Poluka was charged with drug possession in July 2012 and was placed on probation for these drug possession charges. She stated that in November 2012 Ms. Manning-Poluka was charged with probation violation and subsequently went before the court for a second drug possession charge/ violation of probation. Ms. Yehnert explained that Ms. Manning-Poluka was sentenced to a term of 12 months in prison at that time. Ms. Yehnert said that Ms. Manning-Poluka served her sentence and was released April 7, 2014.

Continuing on, Ms. Yehnert informed the Board that Ms. Manning-Poluka regularly attends church to continue to grow spiritually. She stated that Ms. Manning-Poluka has told her that she is blessed and thankful for the second chance her God has given her and that she has no intention of letting Him or her family down again.

Ms. Yehnert stated that on April 23, 2014, Ms. Manning-Poluka came before them for her first interview and at that time her EFDA was reinstated. She informed the members that since reinstatement of her EFDA, Ms. Manning-Poluka has returned to work for her former employer Dr. Gentilcore. Ms. Yehnert visited Ms. Manning-Poluka at her office and spoke with her coworkers. She stated that it is evident Ms. Manning-Poluka has a fully supportive group of friends who happen to be her coworkers. Concluding, Ms. Yehnert informed the members that Ms. Manning-Poluka continues to attend Alcoholics Anonymous/Narcotics Anonymous (AA/NA) meetings weekly and appears to be well.

Upon questioning by the Board, Ms. Manning-Poluka stated that she is doing great and feels blessed to have her job back. She stated that she had worked as a dental assistant for over fifteen (15) years and is now working full-time again. Ms. Manning-Poluka informed the members that since she has returned to work she continues to attend AA and recovery meetings three to four (3-4) times per week and is also active in her church.

**Motion by Dr. Leffler, second by Dr. Hanners, to reinstate the certificate for Ms. Manning-Poluka to practice dental assistant radiography and pursuant to the terms of her consent agreement with the Board.**

Motion carried unanimously.

### **NERB Meeting**

Ms. Reitz informed the Board that next NERB meeting would be held January 8-10, 2015. She stated that there is new member orientation at that meeting that new Board members should consider attending.

Dr. Kaye suggested that for the next NERB mid-year meeting the Board should consider submitting a list of suggested possible consultants to NERB. He stated that the Board had missed a previous opportunity to submit potential candidates and then suggested that the Board should review possible candidates for the consultant positions sometime around the beginning of March.

### **ADEX Meeting**

Ms. Reitz informed the members that she had received a letter in July about the ADEX House of Representatives meeting in November 2014. She stated that she thought this would be an appropriate time for the Board to determine who would represent the Board at that meeting. Ms. Reitz stated that former Board member, Philip Beckwith, D.D.S. had represented the Board for several years and that former Board member, Jacinto Beard, D.D.S. represented the Board most recently when he attended last year. Ms. Reitz questioned whether the Board wishes to continue to have Dr. Beard represent them since is no longer a board member.

Discussion followed wherein it was decided that Dr. Beard should continue to represent the Board at this upcoming meeting on November 9, 2014 and report back at the December meeting.

### **AADB Meeting**

Ms. Reitz informed the members of the upcoming American Association of Dental Board's meeting on October 7-8, 2014.
