Ashok Das, D.D.S., Secretary
Bill Anderson, D.D.S.
Michael Ginder, D.D.S.
Patricia Guttman, D.D.S.
Jeanne Huber, R.D.H.
Burton Job, D.D.S.
Susan Johnston, R.D.H.
Kumar Subramanian, D.D.S.

Ms. Aquillo was not in attendance.

The following guests were also in attendance: Katherine Bockbrader, Esq. of the Ohio Attorney General’s Office; David Owsiany, J.D., Nathan DeLong, Esq. and Henry Fields, D.D.S. of the Ohio Dental Association (ODA); Mark Wenzel, D.D.S. of Dentists Concerned for Dentists; Anne Missig, R.D.H.; Jamillee Krob, R.D.H.; Harry Kamdar, M.B.A., Executive Director, Lyndsay Nash, Esq., Deputy Director, Zachary Russell, Legislative and Communications Coordinator, Kathy Carson and Barb Yehnert, Dental Board Enforcement Officers, and Malynda Franks, Administrative Professional, of the Ohio State Dental Board and other guests.

Call to Order
Dr. Marybeth Shaffer introduced herself as the Board President, a general dentist from Columbiana. After extending greetings to everyone President Shaffer noted that there was a quorum present and called the meeting to order at approximately 1:31 p.m.

Board Business

Introduction of Board Members
President Shaffer then introduced the rest of the Board members. She introduced Ms. Connie Clark, the Board’s Vice President, a dental hygienist from Dublin, Dr. Ashok Das, the Board’s Secretary and a general dentist from Mason, Dr. Bill Anderson, a general dentist from Findlay, Dr. Michael Ginder, a general dentist from Athens, Dr. Patricia Guttman, a general dentist from Columbus, Ms. Jeanne Huber, a dental hygienist from Dayton, Dr. Burton Job, an oral and maxillofacial surgeon from Akron, Ms. Susan Johnston, a dental hygienist from Columbus, and Dr. Kumar Subramanian an endodontist from Upper Arlington. She indicated that Ms. Ann Aquillo, the Board’s Public member from Powell was unable to attend the meeting.
Approval of Agenda
President Shaffer stated that she had previously approved the agenda for the day and asked if there was a motion to approve the agenda with the caveat to amend the agenda due to any extenuating circumstances.

Motion by Ms. Johnston, second by Dr. Subramanian, to approve the November 9, 2016 Board meeting agenda as presented.

Motion carried unanimously.

Review of Board Meeting Minutes

September 14, 2016 Board Meeting Minutes
President Shaffer informed everyone that the draft Minutes from the September 14, 2016 meeting had been forwarded to the Board members for review prior to the meeting and asked if there was a motion in regard to the Minutes from the September meeting.

Motion by Ms. Johnston, second by Ms. Clark, to amend the Policy/Scope of Practice Committee Report of the September 14, 2016 minutes to read as follows:

“Recommended Policies for Consideration

... There will be no communication between the committee members prior to the November ...change to December meeting, however, the members may submit their thoughts to the Committee Co-chairs, and are not to discuss the policies in any format including round robin e-mail....”

Motion carried unanimously.

Motion by Ms. Johnston, second by Dr. Anderson to approve the September 14, 2016 Board meeting minutes as amended.

Motion carried unanimously.

Public Comment/Presentations/Correspondence

Correspondence

American Association of Orthodontists
President Shaffer informed the members that the Board had received correspondence from Kevin J. Dillard, General Counsel for the American Association of Orthodontists, regarding the Board’s position on contractual relationships, potential illegal fee and/or referral fee splitting and possible neglect of the patient in informing them of potential risk and alternatives to treatment in respect to companies that offer orthodontic alignment trays shipped directly to the patient. Dr. Shaffer read the correspondence [Appendix A] to the Board members and then state that she was referring the matter to the Board’s Legal Counsel and the Supervisory Investigative Panel (SIP) for them to report back to the Ad Hoc Committee.
Public Rules Hearing
An administrative rules hearing was held on the following proposed amended rules:

The Board heard testimony and received evidence, State’s Exhibits 1a through 6, from Lyndsay Nash, Esq., Deputy Director and Chief Legal Counsel of the Ohio State Dental Board. Prior to the hearing, one individual submitted written testimony for the Board’s consideration and one witness provided verbal testimony to the Board. The Exhibits and testimony were provided as follows:

Written Testimony

Verbal Testimony
- David J. Owsianny, J.D., Executive Director of the Ohio Dental Association regarding Ohio Administrative Code rules 4715-5-04 and 4715-13-05 [Marked as Exhibit B]

Upon conclusion of review of exhibits and hearing of testimony, the Board discussed proposed changes to these rules as filed and any motions regarding potential changes to these rules.

Motion by Dr. Job, second by Dr. Subramanian, to amend Ohio Administrative Code rule 4715-5-04 to read as follows:

“(A) A licensed dentist is recognized as a specialist in Ohio if the dentist meets the standards set forth in paragraph (B) of this Rule. Any licensed dentist who does not meet the standards set forth in paragraph (B) of this rule is a general dentist. A general dentist is permitted to render specialty services in Ohio.”

And that the rule be approved as amended, that the rule be revise filed and final filed as revised with the Joint Committee on Agency Rule Review (JCARR), the Legislative Service Commission (LSC), the Secretary of State (SOS), and with the Ohio Department of Development Office of Small Business along with Ohio Administrative Code Rules 4715-9-01.3, 4715-13-05, 4715-15-26, and 4715-22-01.

Dr. Das - Yes
Dr. Ginder – Yes
Dr. Gutman – Yes
Ms. Huber – Yes
Dr. Job – Yes
Ms. Johnston – Yes
Dr. Subramanian – Yes
Dr. Shaffer – Yes

Motion carried unanimously.

All the official transcripts from the hearing are maintained in the exhibits section of the Board’s official record of the proceeding. A court reporter was present to take down and transcribe the details of the testimony, discussions, and decisions of the Board.

Board Business (Continued)

Action Items

Supervisory Investigative Panel Expense Report
Dr. Das, the Board’s Secretary, attested that he had spent at least twenty (20) hours per week attending to Board business.

Motion by Ms. Johnston, second by Ms. Clark, to approve the Supervisory Investigative Panel Expense report.

Motion carried unanimously.

Enforcement

Personal Appearances

Sabrina Mickel, D.D.S.
Ms. Yehnert gave the members a brief history in the matter of Dr. Sabrina Mickel. She stated that Dr. Mickel was making her third appearance on her Impairment Consent Agreement with the Board. She stated that Dr. Mickel entered into her Impairment Consent Agreement with the Board on March 10, 2016, and subsequently entered into treatment with Glenbeigh on March 18, 2016. She informed the members that Dr. Mickel was discharged on April 14, 2016, and that Glenbeigh’s Discharge Summary required a return to work physiological assessment. That physiological assessment was completed by James R. Eisenberg, Ph.D., A.B.P.P. on June 27, 2016. She noted Dr. Eisenberg’s summary statement was as follows:

“It is my opinion that as long as Dr. Mickel participates fully in her aftercare and relapse prevention program, she presents as low risk for relapse. The longer she remains drug free the better the prognosis. Under the conditions listed above (relapse prevention) I see no reason why she could not return to work.”

Ms. Yehnert informed the members that Dr. Mickel made her first appearance before the Board on July 27, 2016, wherein she had requested reinstatement of her license to practice dentistry. Ms. Yehnert stated that the Board did not reinstate Dr. Mickel’s license at that time but had invited her to appear before them at their
September meeting. At the meeting in September, the Board reinstated Dr. Mickel’s license to practice for up to sixteen (16) hours per week. Ms. Yehnert stated that Dr. Mickel is in full compliance with the terms of her consent agreement and that she was before them to request additional working privileges.

Upon questioning by the Board, Dr. Mickel stated that she was thankful to have had the opportunity to return to work for the sixteen (16) hours granted her by the Board at its last meeting. She stated that her patients were also happy to have her back on a part-time basis. She said that it has been an eye-opening experience and feels great now that she is entering into her eighth (8th) month of sobriety. Dr. Mickel stated that she takes one day at a time and impacts life on life’s terms by being more present in the moment. She concluded by expressing that she was now seeking full-time work privileges.

Vice President Clark stated that they appreciated Dr. Mickel’s sharing with the Board and then asked if there were any additional questions from the Board. Hearing none, she concluded the Personal Appearances discussions.

Executive Session

Motion by Ms. Johnston, second by Ms. Huber, to move the Board into executive session to consider the investigation of charges or complaints against a licensee pursuant to Section 121.22(G)(1) of the Ohio Revised Code.

Roll call vote:

- Dr. Anderson – Yes
- Ms. Clark – Yes
- Dr. Das - Yes
- Dr. Ginder – Yes
- Dr. Guttman – Yes
- Ms. Huber – Yes
- Dr. Job – Yes
- Ms. Johnston – Yes
- Dr. Subramanian – Yes
- Dr. Shaffer – Yes

Motion carried unanimously.

Open Session

At 2:25 p.m. the Board resumed open session.

Decision in the Matter of Sabrina E. Mickel, D.D.S.

Motion by Ms. Johnston, second by Dr. Job, that Dr. Mickel’s dental license be reinstated full working privileges and that she will remain in full compliance with the terms of her consent agreement for the balance of her agreement with the Board and that she will not apply for a DEA license in the future without permission of the Ohio State Dental Board.

Motion carried with Drs. Shaffer, Subramanian, Das, and Anderson abstaining.

President Shaffer noted for the record that she, along with Drs. Subramanian, Das, and Anderson, had not attended the executive session and, therefore, were not present during the deliberations in this matter.

Motion carried unanimously.
**Enforcement Update**

Ms. Nash began the report by informing the Board that there were two (2) cases pending and that there were no pending Hearing Examiners Report and Recommendations. She stated that there were currently forty-six (46) licensees and certificate holders under suspension, thirty-eight (38) licensees on probation, and that there were one hundred and thirty-six (136) active cases. Ms. Nash said that there were no licensees currently participating in QUIP with one (1) new licensee referred to QUIP. She informed the members that there were fifty-five (55) cases which have been investigated and reviewed by the Board Secretaries and are recommended to be closed with four (4) warning letters being issued.

**Closed Cases**

Due to the requirement in Chapter 4715.03(B) of the Ohio Revised Code, that "A concurrence of a majority of the members of the board shall be required to... ...(6) Dismiss any complaint filed with the board.”, President Shaffer reviewed the cases to be closed with the Board.

The following cases are to be closed:

Prior to the vote to close the above listed cases, President Shaffer inquired as to whether any of the Board members had any personal knowledge that the cases that were being voted on today involved either themselves or a personal friend.

**Roll call:**

Dr. Anderson – No
Ms. Clark – No
Dr. Das – No
Dr. Ginder – No
President Shaffer then called for a motion to close the cases.

**Motion by Dr. Subramanian, second by Ms. Huber, to close the above fifty-five (55) cases.**

Motion carried unanimously.

President Shaffer thanked Ms. Nash for the Enforcement Report and Update.

**90-Day Report**

Ms. Nash then reviewed the 90-Day Report with the members. She stated that of the fifty-one (51) cases reflected in the report by age, 14% were between 91-120 days, 16% were 121-150 days old, 4% were 151-180 days old, and 66% were 180 days old or older.

Proceeding on, Ms. Nash reviewed the 90-Day Report by type with the Board members, indicating that of the major categories, there were 27% awaiting SIP review. She explained that 27% of the cases were pending consent agreements/notice of opportunity/QUIP, 16% were under review of an expert, 14% were issued a subpoena and are waiting on issues/requested subpoenas, and 16% were in miscellaneous/other categories.

Motion carried unanimously.

**Permits – General Anesthesia/Conscious Sedation**

President Shaffer stated that the Board’s Anesthesia Consultant, had vetted the following individuals who have applied for Conscious Sedation permits, evaluations have been conducted, and the applicants are recommended to receive Permits for the specified modality.
Conscious Sedation
Thomas Dooley, D.D.S., Mason, Ohio – Intravenous
Abraham Hoellrich, D.D.S., Columbus, Ohio – Intravenous
Joel Richards, D.D.S., Dublin, Ohio – Non-Intravenous Parenteral
Scott Brian Schwartz, D.D.S., Cincinnati, Ohio – Non-Intravenous Parenteral
Andrew Young, D.D.S., Boardman, Ohio – Intravenous

Motion by Dr. Subramanian, second by Dr. Anderson, to grant permits to the applicants for Conscious Sedation Permits as listed.

Motion carried with Dr. Guttman abstaining.

Oral Health Access Supervision Permits
President Shaffer stated that the Board’s Licensing Manager had reviewed the applications and recommended that the following individuals receive Oral Health Access Supervision Permits:

Dentists
Brian Crump, D.D.S. - Columbus, Ohio
Victor Dubel, D.D.S. – Dayton, Ohio

Dental Hygienists
Constance Robb, R.D.H. - Lockbourne, Ohio

Motion by Ms. Huber, second by Ms. Johnston, to grant Oral Health Access Supervision Permits to the applicants as listed.

Motion carried unanimously.

Reinstatement Application(s)

Dentists
Robert Johansen, D.D.S.

Dental Hygienist(s)
Kendall Humphreys, R.D.H.
Emily Harnett, R.D.H.
Cory Wallace, R.D.H.
Chelsea Meyer, R.D.H.
Ashlee Hairston, R.D.H.

Motion by Dr. Subramanian, second by Ms. Huber, to reinstate the dental and dental hygiene licensees as listed to practice in the state of Ohio.

Motion carried unanimously.
Committee Reports

Ad Hoc

Review of Expert Resumes
Vice President Connie Clark stated that the Ad Hoc Committee (Committee) had met earlier that day. She stated that the Expert Review Subcommittee had reviewed information submitted from an orthodontist, Dr. Stephen Belli, and had recommended he be considered as an expert witness for the Board. She stated that it was the request of the Committee to have Deputy Director Lyndsay Nash contact Dr. Belli to assist him with the process and guide him in the responsibilities of an expert witnesses.

Priority #2 – Licensure and Portability
Ms. Clark informed the members that Dr. Job had been asked to lead the discussions on Priority #2 regarding Licensure and Portability and at his suggestion a workgroup comprised of himself, Dr. Ginder, Dr. Guttman, Deputy Director Nash, and David Owsiany of the Ohio Dental Association be members. She indicated that areas of consideration for the workgroup included those licensed in another state, those licensed in the military and dental students. Dr. Job indicated that Ohio is an accepting state and is fairly compliant in regards to licensure portability and that the goal of the workgroup is to report their findings to the Committee in February 2016.

Priority #5: Establish New Disciplinary Guidelines
Ms. Clark stated that Dr Shaffer chaired the priority #5 discussions on establishing new disciplinary guidelines and that Dr. Shaffer began the discussions with the mitigating and aggravating factors that were found in the Ohio State Dental Board Disciplinary Guidelines version from 1999. Dr. Shaffer had compared them to the 2015 Ohio Medical Board Disciplinary Guidelines and the Committee agreed to mirror aggravating factors J, K, and L and mitigating factors J, and K from the Medical Board guidelines.

Ms. Clark said that the Committee then discussed Category 7, Impairment of Ability to Practice. She indicated that Dr. Shaffer outlined the impairment process for the Committee and then shared the differences of the rather rigid guidelines of the Medical Board versus our guidelines. As there was differences of opinion amongst the Committee members on the severity of the minimum and maximum disciplinary actions, Dr. Shaffer offered to invite an impairment specialist to provide information and guidance.

Ms. Clark stated that during the next meeting the Committee will consider Criminal Acts and Convictions including sexual misconduct. She informed the Board that Dr. Shaffer had indicated that future discussions of the Disciplinary Guidelines would be including infection control guidelines and standard of care.

Motion by Ms. Johnston, second by Dr. Anderson, to approve the Ad Hoc Committee report.

Motion carried unanimously.
Education

Priority #4 – Develop C.E. Monitoring and Tracking
Ms. Johnston informed the Board members that the Education Committee had met earlier that morning and began the meeting with presentations from representatives of three (3) continuing education tracking companies; CE Broker, CE Zoom, and The Dental Exchange. She stated that all of the companies offered different tiers or levels of tracking with the base level being free to the licensees and the Board. She indicated that they would work with Board staff in putting together a graph of the capabilities and differences of each of the companies for presentation to the full Board in December. She encouraged each of the Committee members to contact her directly with their input in order that a recommendation could be made to the full Board.

Review of Application(s)
Ms. Johnston stated that the committee had reviewed three (3) sponsor applications which had been submitted since the previous meeting for consideration of approval. She stated that all the applications were in compliance with the requirements set forth in the Dental Practice Act and Board guidelines.

2016-2017 Biennial Sponsor Application(s)
Advanced Periodontal Center-Study Club
Northcoast Endodontic Specialist
Charles Pfister, D.D.S., M.S., Inc.

Presentation on Opioid Addiction and the Ohio Automated Rx Reporting System
Ms. Johnston stated that Dr. Subramanian had provided the Committee with a preliminary white paper on Opioid Addiction and is preparing a webinar on pain management.

Motion by Ms. Johnston, second by Dr. Subramanian, to accept the Education Committee report and to approve the applications as presented.

Motion carried unanimously.

Law and Rules Review
President Shaffer informed the members that she had chaired the Law and Rules Review Committee that day and then distributed a copy of the final versions of the discussions on Ohio Administrative Code rule 4715-5-06, Reports of adverse occurrences, and rule 4715-18-01, Application for licensure of graduates of unaccredited dental colleges located outside the United States. She stated that the Committee was recommending that these amended rules be filed with the Office of Common Sense Initiative (CSI) and the Joint Committee on Agency Rule Review (JCARR). She then gave the members a few minutes to review the proposed amended rules.

President Shaffer indicated that the Committee had also been provided with information and an update from Matt Whitehead representing the Ohio Dental Hygienists’ Association and Nathan DeLong, Esq., representing the Ohio Dental Association regarding the Board’s “clean-up” bill.
Motion by Ms. Clark, second by Dr. Subramanian, to approve the recommended amendments to the rules as printed for filing with CSI and JCARR and to approve the Law and Rule Review Committee report as presented.

Motion carried unanimously.

**Operations**

President Shaffer noted that the Operations Committee had not met that day and that Ms. Aquillo had expressed that there was nothing to report to the Board at this time.

**Policy/Scope of Practice**

Ms. Johnston stated that the Policy/Scope of Practice Committee had not met that day but that she wanted to inform the members that the Committee would be making a change to the Policy on Therapeutic Prescribing. She stated that the Committee hoped to bring it back to the full Board for a vote in December.

**Executive Updates**

**President's Update**

**Ohio Dental Association Correspondence in Support of Substitute Senate Bill 319**

President Shaffer read a letter to Representative Ryan Smith, Chair of the House of Representatives Finance Committee from Kevin Laing, D.D.S., President of the Ohio Dental Association (ODA) in support of Substitute Senate Bill 319. [Appendix B]

**Letter of Resignation – Charles Smith, D.D.S.**

President Shaffer informed the members of the resignation of Dr. Charles Smith. She then read the following from his letter:

“I apologize for disturbing you with my concerns relative to QUIP. I now completely understand the board’s approach to managing QUIP that led to my concerns.

I believe this regrettable incident resulted from my lack of personal time available to spend on board business, as I recently began the process of selling my dental practice.

Due to the complexity of my practice, I estimate that this transition will take about one year. The time I need to successfully manage this transition would significantly reduce my effectiveness in helping the board, so I have decided to resign my position with the board.

I wish you all the best in the hard work ahead of you, guided by your vision.”

President Shaffer indicated that the letter was dated October 24, 2016 and had been received and accepted by Director Kamdar on November 2, 2016.

**Letter of Resignation – Martin Chambers, D.D.S.**

President Shaffer informed the members of the resignation of Dr. Martin Chambers. She then read the following from his letter:
“Due to personal reasons, I am hereby resigning from my Board member appointment, effective immediately. I appreciate the opportunity and privilege to have served as a valued Board member since April, 2014. I truly believe that I have helped make a difference and wish the Board continued success in the future!”

President Shaffer indicated that the letter was dated November 9, 2016, and had been received and accepted by Director Kamdar on November 9, 2016.

**Supervisory Investigative Panel**
President Shaffer stated that an opening on the Board’s Supervisory Investigative Panel (SIP) has been left with Dr. Chambers’ resignation and that she has asked Dr. Patricia Guttman to fill in for the remainder of the year. She indicated that Dr. Guttman has accepted the task in the interim.

President Shaffer informed the members that they should consider setting aside the specifications for requirements for Executive members of the Board that are currently in the Board’s Governance Guidelines since there are only a few members that meet the current requirements.

**Motion by Ms. Clark, second by Dr. Anderson, to set aside the requirements for the election of Board members in December as listed in the Board’s Governance Guidelines.**

Motion carried unanimously.

**Commission on Dental Accreditation Site Visits**
President Shaffer shared information on upcoming Commission on Dental Accreditation Site Visits for Allied Dental Programs and an Advanced Dental Education Site Visit at The Ohio State University. She stated that the Board was being asked to submit the names of two (2) current Board members who would be interested in participating in the site visits. She directed any interested Board members to contact Director Kamdar or herself and they would provide the member with the appropriate information.

**American Association of Dental Boards Meeting**
President Shaffer informed the members that she and Ms. Clark had attended the Annual meeting of the American Association of Dental Boards. She stated that the focus of the meeting was on a Professional Licensure Compact. She stated that it is different from those interstate compacts of the medical profession. She noted that information during the discussions indicated that there are currently 25 states with Nursing Licensure Compacts, 17 Medical Licensure Compacts, 50 states that have Emergency Management Assistance Compacts, among others. She stated that there are now questions as to whether there is interest from the dental community.

**Commission on Dental Competency Assessments (CDCA) Meeting**
President Shaffer commented that all of the members should have received an invitation to the Commission on Dental Competency Assessments (CDCA) meeting in January. She encouraged the members to plan on attending as it is an experience. She stated that even if they choose not to participate in the examination process, it is interesting to know how we came about and where we are and what we can do with regional licensure.
Executive Director’s Update

Opiate MBR
Director Kamdar expressed his thanks to Dr. Job, Dr. Wallace, Ms. Nash, and members of the Ohio Board of Pharmacy in working together to resolve the issues regarding the Terminal Distributor of Dangerous Drugs in Substitute Senate Bill 319, the Opiate MBR bill.

Toledo Dental Society and Columbus Dental Society
Director Kamdar informed the members that he had been invited and attended an opiate awareness event hosted by the Toledo Dental Society wherein Attorney General Mike DeWine was the guest speaker. He gave special thanks to Dr. Bill Zouhary, Dr. William Carroll, Dr. Matthew Lark and Dr. Michael Judy amongst many others who warmly welcomed him to the event. He commented that the Toledo Dental Society was to be commended for being on the cutting edge of raising awareness regarding the opiate crisis in Ohio.

Continuing, Director Kamdar informed the members that he had been invited to a “meet and greet” at the Columbus Dental Society where he had the opportunity to meet with members. He gave special thanks to Dr. Fred Alger, Dr. Jim Cottle, Dr. Sharon Parsons and Dr. Jay Beard for their comments.

Board Member Resignations
Director Kamdar took a brief moment to recognize and personally thank Dr. Chuck Smith and Dr. Martin Chambers for their contributions to the Board. He wished them well in their future endeavors.

Board Portal
Director Kamdar informed the members that they should have received an e-mail from Dental Board Enforcement Officer, Erica Pleiman informing them that the Board member portal on the Board website is now available for their use. He stated that the staff was experiencing increasing difficulties in e-mailing large documents for their review prior to meetings. He stated that by leveraging this technology, staff and eventually the SIP, who will have their own portal, will be able to review documents at any time once staff places the documents in the portal for their review.

Fiscal Year 18-19 Budget
Director Kamdar distributed a draft copy of a proposal for fee increases for licensees of the Board. He explained that to continue under the current funding level, the Board would be at a $350,000 to $360,000 deficit per year in Fiscal Year 2018-2019. He stated that the Board has not increased licensure fees since 2001 and that since that time inflation has increased by approximately 36% according to the U.S. inflationary index. Director Kamdar stated that the need for the increase in fees was to cover costs of continuing to do business with current staffing levels and services.

Director Kamdar explained the spreadsheet indicating that the figures shown reflect current fees along with projected 25%, 30% and 35% increases across the Board to all licenses, registrations, and certifications. He also explained that staff member, Zachary Russell had assisted in computing licensure figures from other states through the AADB composite, which resulted in national average figures. He noted that the figures shown in red or green reflected whether the proposed increases would be above or below the national average for licensure fees. Director Kamdar said that along with seeking an increase in fees he suggested the members consider building in an escalator clause which would allow the Board to revisit licensure fees every
two years and recalibrate them according to the Consumer Pricing Index (CPI) adjustments. He stated that he would be meeting with representatives of the Ohio Dental Association and Ohio Dental Hygienists' Association over the next few weeks to discuss the proposed increase to fees.

Anything for the Good of the Board
President Shaffer inquired as to whether any of the members had anything they wished to address for Anything for the Good of the Board. Hearing no comments from the members, she entertained a motion to close the meeting.

Adjourn

Motion by Ms. Johnston, second by Dr. Subramanian, to adjourn the meeting.

Motion carried unanimously.

President Shaffer adjourned the meeting at 4:45 p.m. and reminded the Board members that their next meeting would be December 7, 2016.

Ohio State Dental Board
77 S. High St., 17th Floor
Columbus, OH 43215-6135

State Dental Board Commissioner:

I write to you on behalf of the American Association of Orthodontists (AAO), which is the oldest and largest dental specialty group in the United States. It is comprised of over 9,000 practicing orthodontists. The AAO’s main concern in writing to you is for the safety and health of patients treated using a business model of which you may not be aware.

The AAO would like you to review the practices of at least one company operating, according to information we have, within your state. It is our understanding that your authority as a regulatory body grants you the ability to review business practices of both licensed dental professionals and those with whom they do business in the course of patient treatment. Your charge, and our interest, is to protect the public against practices that are harmful, illegal, and unethical.

The purpose of this letter is to ask you to clarify to us your position on a new treatment and business model. Many of our members have asked the AAO to advise them on the legality of the model. We have informed our members that we do not make such determinations, nor do we take positions on the advisability of contractual relationships with any legal market participant. Given the number of inquiries, we thought it would be productive for the AAO to compile the questions most frequently raised, so that you may examine the model and advise us on how best to respond to members located in your state.

The practice to which we refer involves the question of potential illegal fee and/or referral fee splitting, as well as neglect of the patient in informing them of potential risk and alternatives to treatment. One example is a company named SmileDirectClub, which can be found at smil edirectclub.com. According to the company’s website, the business model includes, in many instances, a patient sending a picture of their teeth to the company, located in Tennessee. The company then sends the pictures to a dentist licensed in the state of the patient’s residence, who is paid by the company to review the picture. If the dentist determines that the patient is a candidate for the company’s treatment, the patient is then sent a “kit” to make an impression of their teeth. The completed impression is then analyzed by the company, and the dentist approves, at his or her discretion,
the treatment plan created—which involves a number of clear aligner trays which are shipped directly to the patient. The dentist is paid, apparently, only if the treatment plan is approved.

The AAO’s concerns are that this treatment model potentially violates several aspects of your state laws/regulations:

1. Our first concern relates to the question of the potential that this model violated prohibitions against referral fees or fee splitting. In this treatment model, as we understand it, the patient pays the treatment fee directly to the company. The company then contracts with licensed dentists in the state to review and approve cases. It is our understanding that the dentist is paid only if the treatment plan is approved. In either case, the patient pays the company, and the company pays the dentist to whom the patient is “referred”, even if the referral is just virtual. This likely creates a doctor-patient relationship between the patient and the dentist. If that is not the case, then the company could be practicing dentistry without a license in your state, which is an aspect that may also bear further scrutiny.

Our members are conscientious about following all applicable laws, regulations and ethical rules. We know that they routinely face questions about fee splitting when they enter into marketing arrangements, hire independent contractors, or even send holiday gifts to other professionals in their area who refer them patients. We advise our members to do all of this with extreme caution so as not to violate state law or give the appearance that anything other than the health and welfare of their patients is their only priority.

In fact, our own code of ethics contains a provision which we understand is also prevalent in many, if not all, states. In relevant part, it states:

“Members shall make treatment decisions and render all related opinions and recommendations based on the best interest of the patient without regard to a member’s direct or indirect financial or beneficial interest in a product or service, or direct or indirect relationship with the manufacturer or supplier of such product or service.” (AAO’s Principles of Ethics and Code of Professional Conduct, I.C.)

There is also, in the same document, a prohibition on the giving or receiving of rebates or split fees “in relation to the referral or acceptance of patients.” It is our understanding that all states have some prohibition against the splitting of fees or the giving or acceptance of referral fees, for the reason that it provides an incentive to the physician to prescribe a treatment which may not be in the best interest of the patient.
Under this treatment model, it is difficult to understand how a licensed dental professional would have the opportunity to fully examine a patient and base a treatment decision on the best interest of the patient without regard to a financial incentive; in fact, it appears to us that a clear financial incentive is available to a licensed dentist if they approve a treatment plan proposed to them by the manufacturer. Dentists are not given the opportunity to examine the patient otherwise.

We respectfully request a definitive statement from your board relative to whether this model violates your state’s anti-fee splitting or referral fee regulations.

2. Another concern is that this treatment model does not allow a dentist to provide the necessary details of treatment to the patient in order for the dentist to obtain appropriate informed consent, or to advise the patient of reasonable alternatives to treatment. If, as the company states, the patient never needs to visit or consult personally with the dentist, how can the patient be properly informed of the risks of, and the alternative to, treatment? It is our understanding, in fact, that patients do not know the identity of the dentist who is examining their records. Patients are not able to ask any questions of the dentist, and are not even aware of the identity of the dentist until they receive, via mail, their aligner trays.

It is also our understanding that patients’ questions regarding treatment are directed to the corporate headquarters of the company, and not to the treating dentist. That, of course, raises concerns about who is answering questions about treatment. It also could raise questions about whether the dentist can properly prescribe treatment when they may not, in fact, be aware of the questions and concerns of their patient.

We respectfully request direction from your board on whether we may inform our members that this model is acceptable in terms of obtaining proper informed consent for treatment and the availability of reasonable alternatives in your state.

3. Another continuing concern of the AAO’s with this treatment model is that it ignores the value and importance of complete pre-treatment diagnostic records. With many patients, the only “record” submitted for the dentist and the company to formulate a treatment plan include nothing more than a patient-taken picture and a dental impression that the patients take of themselves. Many significant dental and orthodontic complications cannot be determined through these records. For instance, dental caries, periodontal problems, and biological factors that may lead to root resorption and tooth loss, among other issues, would be difficult, if not impossible, to detect
without the advanced technological screening capabilities that are routinely and widely available today. Rather than taking advantage of advancing technology, we are concerned that this treatment model uses incomplete methods to develop a diagnosis—methods that have not been the primary means for doing so since the routine use of x-ray machines in the first half of the last century.

We respectfully request direction from your board as to whether this treatment model meets the acceptable standard of care in your state.

These may not, in fact, be the only issues that this treatment model raises in your state. The AAO is not making any determination on these or other issues you may find with this treatment model, as it recognizes it does not have the power or responsibility to do so. We would, however, appreciate you informing us of your answers to our concerns so that we may adequately and appropriately inform our members, so that they may best serve the citizens of your state.

If you have any questions or concerns, please contact me at (314) 292-6525, or via email at kdilliard@aaortho.org. Thank you in advance for your attention to this matter.

Sincerely,

Kevin J. Dillard

The Honorable Ryan Smith
Chair
Finance Committee
House of Representatives
77 South High Street
13th Floor
Columbus, Ohio 43215

Dear Representative Smith:

On behalf of the 5,300 member dentists of the Ohio Dental Association, I am writing to express our support for Substitute Senate Bill 319, as passed by the Ohio Senate.

As you know, the issue of opioid abuse is a significant concern in Ohio and across America. Because of the steps being taken by Ohio’s policymakers and interested parties, including prescribers, significant progress is being made in addressing this problem. The number of opiate prescriptions dispensed to Ohio patients has decreased by more than 40 million doses, and fewer doses lessen the chance for opiates to be redistributed or abused. Use of the of the Ohio Automated Rx Reporting System (OARRS) database by prescribers, including dentists, has risen dramatically. Accordingly, instances of “doctor shopping” have been reduced because of use of OARRS alerting prescribers and pharmacists.

The issue of preventing drug diversion is important to the dental profession and the ODA. In recent years, we have held dozens of information sessions at national, state and local dental association meetings related to preventing prescription drug abuse, identifying doctor shopping, best prescribing practices, and proper usage of the OARRS database to prevent drug diversion. We have distributed more than 5,000 fact sheets to Ohio dentists related to prescription drug abuse and diversion and we made the “start talking” consent form available to all our members to download and utilize in their offices.

Senate Bill 319 continues that progress by making significant reforms to Ohio’s Pharmacy laws, including requiring registration of pharmacy techs, reforming access to and administration of Naloxone, and changing the requirements for setting up methadone treatment facilities. One area of Sub SB 319 that directly affects dentistry is a new requirement that all prescribers, including dentists, who possess Schedule I, II, III, IV, or V controlled substances in their offices must possess and maintain a terminal distributor of dangerous drugs license from the Ohio State Board of Pharmacy. Currently, only those dentists who compound or possess compounded drugs are required to hold a terminal distributor license.

For more than two decades, licensed dentists who possess many of these same drugs for administration in their offices have had to possess a special permit from the Ohio State Dental Board, which is only available following an office inspection to ensure appropriate standards are met. Because of the overlap between existing Ohio State Dental Board regulations and the new requirements from Senate Bill 319, we
asked that representatives from the Pharmacy Board and Dental Board meet to discuss and clarify roles and responsibilities so licensed dentists have a clear understanding related to complying with Senate Bill 319’s additional licensure requirements and new regulations for dentists who possess scheduled controlled substances.

The ODA appreciates the efforts of representatives from both the Pharmacy Board, including its Executive Director Steven Schierholt, and representatives from the Dental Board, including its Executive Director Harry Kamdar, for working together to clarify the impact of Substitute Senate Bill 319.

In light of those discussions, the dental community now has a better understanding of what will be expected of dentists who possess scheduled controlled substances in their offices upon passage of Substitute Senate Bill 319. We are pleased to support this important legislation as we continue our efforts to ensure patient safety remains our highest priority and we work to protect against drug diversion and abuse.

Thank you for your attention to this matter and please feel free to contact ODA’s Executive Director David Owsianny at 614-495-2700 or ODA’s consulting lobbyist Adam Hewit at 614-221-6566 should you have any questions.

Sincerely,
