Enforcement Update

Deputy Director Cellier provided the Enforcement Update by informing the Board that there were seven (7) cases pending hearing, two (2) of which have been scheduled and three (3) of which have been continued indefinitely. He stated that there is one (1) case pending Hearing Examiners Report and Recommendation. There are eight (8) licensees and certificate holders under current suspension, thirty-nine (39) licensees and certificate holders with older suspensions, and currently the Board has two hundred and five (205) active cases. Deputy Director Cellier said that there was one (1) referral to QUIP. He informed the members that seventy-nine (79) cases have been

reviewed by the Board Secretaries and are recommending they be closed at this time with three (3) warning letters having been issued. He noted that there are eighteen (18) licensees currently on probation.

Deputy Director Cellier indicated to the Board members the detail of one hundred twenty-eight (128) cases being investigated by the Board that are over 90 days old by type and by age.

Due to the requirement in Chapter 4715.03(B) of the Ohio Revised Code, that "A concurrence of a majority of the members of the board shall be required to... ..(6) Dismiss any complaint filed with the board.", Deputy Director Cellier reviewed the cases to be closed with the Board.

Committee Reports

Education

President Subramanian stated the Chair of the Education Committee, Dr. Canise Bean had requested to address the members.

Dr. Bean thanked President Subramanian and stated that her report of the April 13, 2021 Education Committee meeting had been provided to the Board members prior to the meeting today and therefore, she would just be covering the highlights.

Dr. Bean informed the Board members that some action items had been addressed since the last meeting of the Committee on October 28, 2020. She stated that the revisions to the education rules had received Board approval for filing and that they would be moving forward filing the rules with the Joint Committee on Agency Rule Review (JCARR) soon.

Dr. Bean stated that the Committee discussed updates, edits, and broken or expired links on the Boards Cultural Competency Education Opportunities document that has been posted on the Board website. She informed the Board that those updates and changes have been made and the document reposted. She invited Board members and attendees to submit any additional resources they recommended to be added.

Dr. Bean stated that the Committee had discussed a communication plan regarding review of Biennial Sponsor applications and renewals which will be ending once the new education rules become effective. As of December 31, 2021, the Board (through the Education Committee) will no longer be approving applications for sponsorship and/or renewal and the Board should have a means of clearly communicating this change with recommendations for current sponsors on a process for the future. She stated that suggestions brought forth by Committee members included contacting specialists by reaching out to the specialty organizations asking them to contact and inform their member specialists. Additionally, it was suggested that the inquiries might be best dealt with on a case-by-case basis. Dr. Bean requested Board member input on how best to communicate discontinuing the review and approval of Biennial Sponsor applications by the end of 2021. She stated that they would like to prepare an announcement for the website in addition to notifying the current Biennial Sponsors of the changes. The announcement and notification should include recommendations on how to continue to provide educational opportunities for Ohio licensees.

Dr. Bean informed the Board members that the rest of the Committee meeting was devoted to presentations on dental assistant certification. She stated that Nicole Uhl, RDH of American Medical Technologists (AMT) and Katherine Landsberg, Director of Government Relations for the Dental Assisting National Board (DANB) had provided presentations to the Committee regarding their examinations, prerequisites to the exams, fees, etc. Dr. Bean stated that Carol Healy of the Commission on Ohio Dental Assistant Certification had provided written information via emails about the Ohio exam.

Dr. Bean stated that of specific note to the conversation was that Ms. Healy was unable to provide a specific timeline as to when the Ohio examination will resume due to COVID-19 pandemic. She stated that the exam is written and clinical and Ms. Healy had indicated during the Committee meeting that she plans to meet with Skills USA soon and a plan will be forthcoming.

Dr. Bean commented that during the discussions on the dental assistant examinations it became clear that the Board is in desperate need of revisions to the statute and rules that allow various pathways for dental assistants to become certified and to move forward with education in their chosen profession.

[Continuing Education Requirements During COVID-19 Pandemic](#)

Since the meeting in April, Dr. Bean stated that the Board has received several requests for the Board to consider extending or waiving the continuing education requirements for this biennium due to the COVID-19 pandemic. She then asked for comments from the Board/Committee members. Discussion followed wherein Board members expressed opposition to the request as it was felt that there are adequate avenues/ways to obtain sufficient hours

of continuing education to meet the minimum requirements for renewal. It was mentioned that of the other allied health professions, none of them were receiving a reduction in their educational requirements for their licensure renewal due to the pandemic and as such, it would be a disservice to the profession and the public to reduce the minimum requirement.

Biennial Sponsor Renewal Applications

Dr. Bean stated that the Board had received one (1) Biennial Sponsor Renewal application from Kent Morris Orthodontics. She stated that, as with the previous virtual meetings, she would like the Board to consider approval of this sponsor based on past performance.

Motion by Dr. Bean, second by Dr. Bauer, to approve the Biennial Sponsor Renewal application provisionally and retroactively for Kent Morris Orthodontics.

Roll call vote: Dr. Bauer – Yes
Dr. Bean – Yes
Dr. Brisley-Sedon – Yes
Dr. Carr – Yes
Dr. Kelley – Yes
Dr. Krob – Yes
Dr. Kyger – Yes
Dr. Lakireddy – Yes
Dr. Quereshy – Yes
Ms. Scaramucci – Yes
Dr. Subramanian – Yes
Mr. Vessels – Yes
Dr. Zucker - Yes

Motion carried unanimously.

Anesthesia Permit Renewal Course

Dr. Bean stated that the Board had received one (1) request from the Ohio Society of Oral and Maxillofacial Surgeons (OSOMS) to approve their course for anesthesia permit renewal which will be provided at their upcoming meeting in July. She stated that the course had been forwarded to the Board's Anesthesia Consultant for review, but the Board had not yet received a response. However, Dr. Bean indicated that OSOMS holds annual meetings and each year their course has met the requirements set forth for the permit renewal and was therefore recommending approval of the course.

Motion by Dr. Bean, second by Dr. Bauer, to approve the Ohio Society of Oral and Maxillofacial Surgeons course "Anesthetic Patient Safety and Crisis Management" for anesthesia permit renewal.

Roll call vote: Dr. Bauer – Yes
Dr. Bean – Yes
Dr. Brisley-Sedon – Yes
Dr. Carr – Yes
Dr. Kelley – Yes
Dr. Krob – Yes
Dr. Kyger – Yes
Dr. Lakireddy – Yes

Dr. Quereshy – Yes
Ms. Scaramucci – Yes
Dr. Subramanian – Yes
Mr. Vessels – Yes
Dr. Zucker - Yes

Motion carried unanimously.

Dr. Bean mentioned that during a future meeting the Committee would be considering professional licensing management software for continuing education tracking and an omnibus bill to open the statute for several considerations, one of which being to consider adding the American Medical Technologists Registered Dental Assistant (RDA) examination for dental assistants as well as consideration of other pathways to further their education.

President Subramanian thanked her for the report.

Law and Rules Review

[American Association for Accreditation of Ambulatory Surgery Facilities - Presentation by Tom Terranova, JD, MA, MBA](#)

President Subramanian introduced Thomas S. Terranova of the American Association for Accreditation of Ambulatory Surgery Facilities (AAAASF). Mr. Terranova explained to the Board members that AAAASF is an organization that accredits mobile facilities such as medical outpatient surgical and procedural and dental outpatient oral and maxillofacial and pediatric dentistry facilities. He explained the history of AAAASF since established in 1980 to standardize and improve the quality of health care in outpatient facilities. Mr. Terranova continued his presentation covering:

- Ensuring outpatient and office-based facilities to hospital standards.
- Requiring surgeons to be board certified and have hospital privileges for any procedure they perform.
- Requiring the use of anesthesia professionals for deeper levels of anesthesia.
- Ensuring safe and clean surgical environments that meets stringent standards.
- Peer review (peer oversight) and tracking patient safety data.
- Working closely with facilities and providing help throughout the accreditation process.

President Subramanian and Director Kamdar thanked Mr. Terranova for his informative presentation to the Board.

Anesthesia and Sedation Draft Rules

President Subramanian took a moment to acknowledge on behalf of the Board the amount of effort made on the anesthesia and sedation draft rules the Subcommittee has made. He wished to recognize the Subcommittee of Dr. Gregory Ness, Dr. Joel Weaver, Dr. Bill Anderson, Dr. Purnima Kumar, and Dr. Paul Cassimasimo, along with Director Kamdar, Deputy Director Cellier, Deputy Director Russell, and AAG Bockbrader. He commented that they put in many hours in putting this document together. He stated that the Board really appreciated them all taking the time to complete this project.

President Subramanian stated that due to time limitations he would open the floor to discussion from the Board members first on these rules.

Dr. Quereshy stated that a lot of effort has been put forth and it shows in the wonderful job they have done with the draft. He stated these draft rules meet the goal of patient safety by all treating surgeons and practitioners in

our environment who want to offer sedation and anesthetic services to the population of Ohio. He stated that the rules are well written that he fully supports them.

Dr. Bean asked for clarification regarding conscious sedation vs. moderate sedation. She inquired as to if the Board was attempting to stay current with the discipline in moving away from the term conscious sedation and more into general anesthesia/deep sedation and moderate sedation. President Subramanian indicated that once in effect applicants would either apply for a general anesthesia and deep sedation permit or else they would apply for a moderate sedation permit.

Dr. Bean asked that regarding renewal of the permits there would not be a renewal fee, but the permit would be renewed if they were able to supply the proper documentation. President Subramanian confirmed that there was no extra fee going to be levied for renewal of these permits, only the required documentation to renew.

Dr. Bean then asked if she wanted to be able to provide moderate sedation in her practice, who would provide the course. President Subramanian stated that there will now be two (2) kinds of moderate sedation permits issued; one is moderate sedation for patients above the age of 13 and the other is moderate sedation for patients below the age of 13. He stated that in the case of Dr. Bean who sees mostly older patients, she would be looking for a course on moderate sedation for patients above the age of 13. Therefore, her education and training would have to follow rule 4715-3-01 which specifies the educational and clinical case requirements necessary to receive a permit. President Subramanian provided further clarification on the number of patient cases that were required to be certified by the course instructor and that the course provider was to ensure that an adequate number of patients would be supplied, adding that they specifically put forth safeguards in the rules to state that patients must only be sedated once per day.

President Subramanian asked if any Board members had additional comments or suggestions. Seeing none, he opened the meeting to comments or suggestions from the consultants.

Dr. Joel Weaver stated that he had submitted comments to Director Kamdar about a few minor edits. President Subramanian stated that he had received Dr. Weavers edits from Director Kamdar and that once reviewed they would be included in the rules for one final review by the Committee during the next few weeks. Once accepted the final document would be presented to all the Board members at the June Board meeting. He thanked Dr. Weaver for submitting his comments and appreciated him taking the time to look through the rules one more time.

Executive Updates

President's Update

President Subramanian stated that he did not have anything specific to address with the Board at this time and then asked Director Kamdar to provide his update.

Executive Director's Update

Budget Testimony

Director Kamdar informed the Board members that he had the opportunity a few weeks ago to present the Board's budget to the Senate Finance Committee. He indicated that they had asked some questions and provided some follow-up. He stated that one item he wanted to pass on to the Board members is that our personnel component is the biggest cost in our budget. He said that one would think that the component with the biggest cost increase within personnel would be salaries but it is only about two to three percent (2-3%) per year. If you compare the

projected expenditures for the next biennium compared to what was paid in Fiscal 2020, which is the last complete full year, the biggest increase has occurred in medical insurance which has gone up by 28%. Director Kamdar indicated that was the largest cost increase. He explained that we also have an increase in the eLicense system where we anticipate our share to be around \$100K and the banking fees for electronic banking transactions that are related to the paperless transactions for licensure and renewals.

Thanks to Staff

Director Kamdar stated that he wanted to thank Deputy Director Cellier, the SIP Panel, the enforcement team, Mr. Russell, Ms. Massaro, and Ms. Franks and everyone who has been involved in helping the Board to get caught up with the investigations. Mr. Cellier deserves a lot of credit. He was charged with the task of getting the Board caught up and the backlog is now just about half of what it was when he came on Board. We are very pleased with the progress he has made in that regard.

Dental Assisting

Director Kamdar stated that he wanted to thank Dr. Bean for her efforts in the ongoing dental assisting issues. He stated that she has worked very hard trying to make progress and she has been quite the champion in this regard which he appreciates. He expressed that it has been very frustrating trying to get the Ohio Commission on Dental Assistant Certification to respond and start resuming the examinations as they have their own set of challenges. This is holding up the testing process for hundreds of young people who would like to get certified. Therefore, he stated that we are going to continue pushing and hopefully the Commission will be able to resume the examinations very soon.

Director Kamdar then turned the meeting back over to President Subramanian.

Anything for the Good of the Board

Salary Increases

Exempt Staff

Motion by Dr. Subramanian, second by Dr. Bauer, that the Board approve a salary increase of three percent (3%) from FY2020 for applicable Dental Board employees who are in exempt, unclassified positions, to be retro-actively effective April 11, 2021, to be consistent with the pay raises being offered for comparable positions in other State of Ohio entities.
